| A2 Performance 13 June 2015 |  | Part 3 Tunnel A"in the woods" Dance |  |
| :---: | :---: | :---: | :---: |
|  | Legend | Time |  |
| Preparation |  | 08:00 |  |
| Start time |  | 11:45 | finish 12:15 move to inner tunnel into Tunnel B |
| Lights followspot | ه |  |  |
| projector | 1 |  |  |
| Block installation |  |  | Creation of weird trees, random positions |
| safety person | 0 |  | Stays with the blockdancegroup |
| public | $\bigcirc$ |  | Moves constantly resting only for performances |
| dancers | $\bigcirc$ | 3 hours | Moves constantly and take some rest /wandering |
| safety line | - - |  | Not allowed to pass |
| Sound | $\wedge$ |  | On for Tree dance |
| Dancers Tree Projection | $\bigcirc$ |  |  |
| Tree Projection |  | 1 lot .8 min | 3 music pieces for dance/additional projection text |

Block dancers approaching Tree Projection Dance group.
When the projection starts around (each 45 min ?),the music starts. the Block dancers freeze in time till as a statue or as a block, Ha!
When the music finished the block dancers continue to move on the blocks through the Inner tunnel to Tunnel B....duration including tree performance They end up going with blocks through the small tunnel together with the visitors. After all the blocks went through the tunnel. They build a 'garden house' in Tunnel B and have a lunch break, around 13:00 to 13:30
The Block dance in Tunnel B Length 300 m continues after break. Performance finish at the end of tunnel B around 15:30.
Crew of Tunnel project and visitor will carry the other half of blocks from entrance in higher tempo to create a final permanent installation in the end of Tunnel B
